

Quality Policy Statement

Statement of Intent

Safetyform is dedicated to being the leading provider of Health, Safety and Environmental Risk Management Solutions, offering the broadest range of services to clients.

Safetyform quality policy is to achieve sustained, profitable growth by providing services which consistently satisfy the needs and expectations of its customers.

This level of quality is achieved through adoption of a system of procedures that reflect the competence of the Company to existing customers, potential customers, and independent auditing authorities.

Achievement of this policy involves all staff. Each member of staff is individually responsible for the quality of their work, resulting in a continually improving working environment for all. This policy is provided and explained to each employee by the Senior Management Team.

To achieve and maintain the required level of assurance the Managing Director retains responsibility for the Quality System with routine operation controlled by the Senior Managers.

The objectives of the Quality Assurance System are:

- a) To work towards achieving an effective Quality Assurance System complying with the ISO 9001.
- b) To achieve and maintain a level of quality which enhances the Company's reputation with customers.
- c) To ensure compliance with relevant statutory and safety requirements.

To endeavour, at all times, to maximise customer satisfaction with the services provided by Safetyform Ltd.
